# ABOUT US

Established in 1840, The Mile End Hotel located 5 minutes from the city has been brought back to its original red brick and bluestone exterior with a cheeky blend of modern original and graffiti art governing the interior of the hotel.

Drawing on its rich heritage and retaining its raw beauty, the original timber bar has been resurrected and dominates the main interior of the Mile End Hotel. The original stain-glass windows, floor boards and open fire places continue to hold their place at this iconic hotel.

The Mile End ranges a vast selection of Australian and international beers as well as local Adelaide boutique and micro-brewery beers and continually rotates and updates its tap selections.

Some of the best South Australian wines are featured on the Mile End wine list as well as international varietals to interest all wine lovers.

Not to be forgotten is the hotel's beer garden which lays home to a "street art" influence, this area can be enjoyed all year round with its open wood fire and ducted air-conditioning.
